November 2026

Who are these, clothed in white robes, and from where have they come? … These are the ones coming out of the great tribulation. They have washed their robes and made them white in the blood of the Lamb.
Revelation 7:13-14

Dear Sisters and Brothers in Christ,

First, I want to encourage you to worship on Sunday, November 29th, the first Sunday of Advent. Why? Because Rev. Jeff Morlock will be preaching and he is a phenomenal preacher.

Pastor Jeff serves as the recruitment specialist for the North American Lutheran Seminary. He is the one who recruits our future pastors. He is honest and full of integrity. Yes, he is a salesman, but not in the typical sense. He speaks truth. So, though I will not be with you on November 29th, I do expect you to worship at HTLC on November 29th if you are in the area.

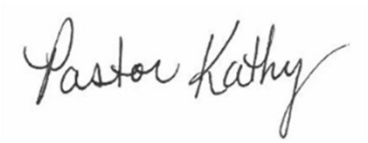

Where will I be? Celebrating my father's 80th birthday. For the first time in 20 years, Dan and I will be celebrating Thanksgiving with our parents. Unbeknownst to my dad, we are having a surprise 80th Birthday party for him that Saturday. As you are well familiar with, none of us knows how long we have with our parents. Dan was recently informed that his father's prostate cancer has spread to his bones and he will be celebrating his 90th birthday in February. Remember, Dan lost his mom, Pat, the Tuesday following Thanksgiving last year. So, this is a fragile time for our family. We are extremely grateful that we get to celebrate Thanksgiving with our remaining parents this year.

All Saints Day, November 1st, is the day we give thanks for all those who have led us and kept us in the faith of our Triune God – Father, Son, and Holy Spirit. Then we have the Thanksgiving holiday which in truthfulness is a secular holiday dedicated to giving thanks for all that we have. Why? Because in Christianity we are always to give thanks in all circumstances.

(continued on next page)

"All Saints" honors every Christian who has gone to be with Jesus, from the apostles and martyrs to the lesser-known saints who may even have been members of our own congregations and families. Naturally, this day is quite special to those who miss their loved ones. It is an occasion both for weeping and for great joy. We rejoice that, while we weep, every tear has been removed from their eyes. And we weep in joy as well that soon the tears will also be removed from our eyes.

And so in our Lutheran Churches, All Saints' Day is a day on which we remember all of the faithful who have gone before us and give thanks to God that by his mercy he receives sinners and gives us the same hope that he gave to them: the hope of the coming resurrection.

Your Sister in Christ,

Barclay's View

Dear Friends,

This Fall has been so much fun!!! I hope you have been enjoying the wonderful weather we have been having, too! Mom and I have been enjoying Fleming Falls Nature Preserve on a regular basis. Mom loves it because she reaches her 10,000 steps and usually gets 10-12 flights of stairs while we are there. I love it because I get to do a lot of sniffing, and when nobody is around, I get to be off leash and explore all the water. I am in awe of God's creation, and I am delighted that I get to explore it.

Worship has been fun, too. It is weird having Dad join me in the balcony again on Sunday mornings AND see him in the office during the week. Don't get me wrong, I love having him around. But I don't think I am as spoiled as when he is not around. Between Mike, Yvonne, Linda, Bryan, Kathy, Dave, Mary and the rest of you - I get so many touches that I am exhausted when I come home. Being a church dog is exhausting!!!

By the way, have you met our new Office Administrator, Rhonda? I love her. I greet her in her office every morning and she gives me a treat. I'm not sure how much she likes me, but she at least puts up with me. Though, the first time I smiled at her she was a little worried. I think she figured it out that if my tail is wagging, I'm very safe to be around.

Jesus loves you and I do, too!

Birthday Celebration

Please join us for an open house as we celebrate Liz Pritchard's 90th birthday on Saturday, December 5 from 1:00 – 3:00pm in the lounge at Holy Trinity Lutheran Church.
Come, share the memories, the laughter and stories from a life well lived.
Cards and/or presence are the only gift necessary. All are welcome.

The Family of Liz Pritchard

Welcome Rhonda, Thank You Dan

We are grateful to Dan Pennington for helping us through the transition as our former office administrator, Debbie Taylor, left us for a new position. Now to give you some insight from "Behind the Scenes." Debbie trained Dan in her last one and a half weeks with us. Why? Because Pastor Kathy only knows about one-fourth to one-third of what our office administrator does. It was very helpful that Dan understood Lutheran liturgy, had many gifts for technical support, as well as a determination to see things through until they were resolved.

While Dan was with us, not only did he keep the office going, but he helped us with some phone issues with our VOIP phone service, he moved us over from Spectrum to Brightspeed for a much cheaper price, and he held Ohio's Department of Commerce accountable for what they expected their people to do. What does this mean? He forced the state to give us access to our elevator and boiler permits that they tried to keep us from obtaining without us giving them someone's social security number. In other words, the state initiated a new system that they really were not ready to support, especially for non-profit entities. In addition to all of that, Dan helped us with some website work. Of course, there is still much more work to be done.

But now we are in a new chapter. We welcome Rhonda Bletner as our new office administrator. Rhonda has been training with Dan for about a week and a half now. She has been doing a WONDERFUL job! Please introduce yourself to Rhonda when you come to the church during the week. And, please have patience as Rhonda learns the everyday activities here at Holy Trinity. It can be a busy place at times, and certainly overwhelming.

Thank you, Rhonda, for your willingness to be our Office Administrator! And know that we are grateful for you and are praying for you every day. Please reach out to us any time you have questions or concerns.

NALC Disaster Response Transitions

Mary Bates, the Director of NALC Disaster Response for the last 16 years and previously the Director of Lutheran Disaster Response for 12 years, retired as of October 31, 2026.

As of October 30, 2026, her understanding is that Rev. Mark Werner and the rest of the NALC Disaster Response board is still sorting through applicants for her vacated position.

Mary and her husband Ken have plans to manage only the Caldwell warehouse and leave all direction of disaster response to the new director. Mary also intends to enter seminary at the beginning of 2027. Currently, she and Ken are helping to host a new mission start congregation of the NALC in Caldwell, and their first service is November 1st, All Saints Sunday. How fitting!

Let us pray for a smooth transition for the new director of NALC Disaster response and the latest chapter in the life of Mary Bates, a life so far well-lived.

Congratulations

Congratulations to Rachael Spellman for completing her Masters in Forensic Sciences. She is looking at job options!

New Administrative Assistant

Hi, I am Rhonda Bletner, your new office administrator, and I am delighted to be invited to serve your church! I grew up in the Clear Fork valley but lived in several other states before returning to Ohio. I was editor of the Bellville newspaper for several years, in addition to other newspapers including Dolly Parton's hometown in Tennessee. Additional experience in a nursing home and a domestic violence shelter helped me realize I value service. I want to be of service to you! I hope you'll bear with me as I learn the ropes from the talented and knowledgeable Dan Pennington!
Personally, I enjoy reading, researching history, beach glass hunting and arts and crafts. I have three adult children, one deceased, and a black foster cat named Gremlin.

Making a Difference Nationally

North American Lutheran Church Disaster Response

NALC's Disaster Response is dedicated to sharing Christ's love when it's needed most.
Disaster Response in the North American Lutheran Church isn't just about emergency supplies—it's about being the hands and feet of Jesus. When storms surge, fires rage, or floods rise, NALC congregations are equipped to respond with compassion, courage, and Christ-centered care – including responding to flooding in the central U.S.
Volunteers have been distributing flood buckets and assisting congregations impacted by historic rains and rising waters.

Lifewise Academy

LifeWise Academy offers Bible education for public school students during school hours. Almost no one knows this is possible. LifeWise provides a program that any community can implement to reach students with the gospel. LifeWise classes are held off school property, privately funded and parent-permitted.

LifeWise Academy comes alongside administrators and teachers to support their mission of serving students, schools, and communities. Studies show that LifeWise programs improve student attendance and behavior, with educators recognizing the benefits and parents overwhelmingly recommending LifeWise.

Holy Trinity donates care bags for foster children

A transition into foster care can be a stressful and overwhelming experience for a young child. Holy Trinity Lutheran Church helps children entering care through Richland County Children Services have more comfort during a difficult time. Each bag is thoughtfully packed with essential items to help a child get through their very first night in foster care. Inside, children will find: Cozy pajamas and underwear to ensure they have clean clothes to sleep in, a warm blanket and a stuffed animal provides immediate comfort and security. Essential provide personal hygiene needs. These bags offer more than just physical items. They provide a sense of dignity, ownership, and comfort to a child when their world has been turned upside down

International Missions

Malawi Orphan Care Project

Project(MOCP) works in partnership with leaders in Malawi to help orphans in Malawi and their caregivers.
Currently the only agency they work with is the Kanyenyeva Ministries(KM). Donations to MOCP are sent to KM. KM uses those donations for: the feeding program, evangelism, the sports program, high school scholarships, elementary school fees, building infrastructure, creating small businesses an Days for Girls Enterprise.
In October a small team worked on finishing the first building for the girls at Alinafe Girls Rescue Center—a place where girls begin to heal after the trauma of a forced marriage in Malawi.

Water Mission

Water Mission Responds to Devastating Flash Floods in Nepal

This year, Water Mission's Disaster Assistance Response Team responded to two large-scale disasters simultaneously—earthquakes in Venezuela and flooding in Nepal.
In Nepal initial reports indicated that more than 500 people had been killed and more than 1,500 remained missing, though those figures were preliminary estimates. Clean, safe water is critical during any disaster to prevent the spread of water-related illnesses, especially in the initial days following a disaster.
